Elliot Yehia, We want to thank you for all your hard work and effort put forth in to selling our house at 1039 S. W. Viewcrest Drive in Dundee Oregon. To our amazement, you managed to sell it within a few days. Everything you told us went exactly as planned and we were house hunting within days of the accepted offer. We also want to thank you for helping us locate and finance our dream home at 17509 S.W. Dodson Drive in Sherwood Oregon .All the numbers were exactly as promised and there were no supprises. You work with a great financing company and we will use them in the future. We will definitely recommend you to all our family, friends and co-workers. Many many thanks and we will remember you in the future.
