RE: Elliot Yehia

To Whom it May Concern:

Elliot Yehia is a licensed Real Estate Broker in the State of Oregon. I have had the pleasure of working with Elliot, acting as his Principal Broker and Sales Manager since the beginning of 2005. He has continuously been a top producing Broker.

I Have found Elliot to be above average in diligence with paper work required for transactions and submitting documents in a timely manner. He is exceptionally organized. He regularly attends weekly scheduled office sales meetings and is a true asset in participating and interacting in the group. At all times, Elliot is professional in the office and feedback received from his customers and clients is consistently excellent. He answers and returns calls in a timely manner, and is dedicated to acting promptly on requests from customers and clients. Without question, he goes above the call of duty in working for those choosing him to sever as their Real Estate Professional.

I would not hesitate to recommend Elliot to the fussiest clientele with complete assurance he would perform with the highest degree of integrity.

Should you have questions or concerns, do not hesitate to call.

Sincerely,

Joyce Broderick
Principal Broker/Sales Manager
