Dear Mr. Yehia:

On behalf of The University of British Columbia, I would like to thank National Glass Ltd., for contributing the materials which allowed for the creation of the atrium at Norman Mackenzie House. The University is pleased to recognize this very generous donation by naming The National Atrium in memory of your father, Mr. Zaki Yehia.

I look forward to having the occasion to personally thank you for this outstanding gift at the dedication ceremony for The National Atrium on November 6th. The University sincerely appreciates your generosity and support. With best wishes,

Yours sincerely,

Dear Mr. Yehia,

Now that the APEC events have concluded, I wanted to take a moment and thank you for your support of APEC '97. Your sponsorship enabled Canada to host a world class conference that impressed both visiting delegates and fellow Canadians.

As you know, Storgaard & Associates was responsible for corporate sponsorship for APEC '97. In this regard, I would be interested in any feedback you may have vis a vis your "sponsorship experience". Such input helps us to better meet the needs of our clients as well as improve our level of service to you, the sponsor. I look forward to reviewing any comments you would like to share.

I hope that National Glass Ltd.'s participation in this unique event was a productive venture. The successful partnering between Government and Business proves that we work best when we work together! On behalf of the Storgaard team, I wish you and your colleagues all the best as you move forward to meet the inevitable challenges of '98.

Yours very truly,

Henry Storgaard,
